Delta
State
University

Cleveland,
Mississippi

1976

Dr. Forest Kent Wyatt

In the same year that Delta State University is celebrating its 50th Anniversary, one of its own has been chosen to serve as the institution's Fifth President. Dr. Forest Kent Wyatt, the first alumnus so honored, was named to this high position on July 1, 1975. He is qualified uniquely by nurture, education, and experience to serve his alma mater as president.

Upon graduation from Cleveland High School, Dr. Wyatt entered the then Delta State Teachers College and in 1956 received a Bachelor of Science degree in Education with a major in mathematics from the institution he now heads. He received his Master of Education degree from the University of Southern Mississippi four years later. In 1970 he was awarded the Doctor of Education with emphasis in administration and supervision by the University of Mississippi.

Ever a loyal supporter of Delta State University, Dr. Wyatt's affiliation with the University reached beyond the alumnus stage on July 1, 1964, when he became the institution's first full-time Alumni Secretary. In 1969 he was appointed as Administrative Assistant to the late President James M. Ewing and continued in this position with President Aubrey Keith Lucas. Dr. Wyatt also held the positions of Director of Administrative Services and Associate Professor of Education. His apprenticeship under two presidents gave him unique opportunities for insight into the responsibilities of a university president.

As the institution enters its second half century of service, Alumnus and Fifth President Forest Kent Wyatt, brings new and growing dimensions to the heritage that is a living Delta State University.

DSU's 50th Birthday Celebration

A PROCLAMATION

Since all Americans are joining this month in the celebration of our Nation's Bicentennial, observing with affection and reverence the unparalleled contributions of this Nation to the quality of life in the world, and

Inasmuch as Delta State University, since its creation on April 9, 1924, and its official opening on September 15, 1925, has been a leading educational force in contributing to the quality of life in the Mississippi Delta, and

Since the faculty, staff, student body, and alumni of Delta State University and the people of Cleveland and Bolivar County are committed to the continued progress and success of Delta State University, of the United States, and of mankind in general, and

Because we desire to bequeath to our posterity symbols of our respect and love for our Nation, our University, and our Community, and in recognition that Delta State University is concluding its celebration of its own Fiftieth Anniversary, of which this ceremony is a part, and

Because these mementoes of this institution's Golden Anniversary are being deposited as a tribute to the rich heritage with which we have been endowed, and which we would sincerely wish to be revered and expanded by future generations, and

WHEREAS, it is with sincere best wishes for the perpetuation and enhancement of this heritage and for continuing progress toward an atmosphere of more perfect peace and tranquility in which to grow,

I, Forest Kent Wyatt, Fifth President of Delta State University, therefore, direct that these items be deposited in the soil of the quadrangle at Delta State University and do request that they be not disturbed until September 15, 2025, with appropriate respect and ceremony.

On this the sixth day of July, in the year of our Lord nineteen hundred and seventy-six, beginning the two hundred and first year of the independence of the United States of America, the one hundred and fifty-ninth year of the State of Mississippi, and the fifty-first year of Delta State University, I affix my signature to this proclamation in behalf of the faculty, staff, students, alumni, and friends of Delta State University.

From a Loved One in Heaven

I would not have you grieve for me today,
Nor weep beside my vacant chair.
Could you but know my daily portion here,
You would not, could not, wish me there.
I know not why He said, "Ear hath not heard"
I have no words, no alphabet,
Or even if I had, I DARE not tell
Because you could not bear it yet.
So, only this — I am the same, though changed,
Like Him! A joy so rich and strong
I never dreamed that any heart could hold,
And all my life is one glad song.
Sometimes when you are talking to the Lord
He turns and speaks to me . . . Dear heart,
In that rare moment you and I are just
The distance of a word apart!
And so, my loved ones, do not grieve for me
Around the family board today;
Instead, rejoice, for we are one in Him,
And so, I am not far away.

Football Coaching Staff

With the combined efforts of the DSU football coaches, the Statesmen football team were one of the top teams in the Gulf South Conference.

The coaches demand a lot of their players which results in a winning season. The Delta State football coaches need to be recognized on the fine job they have done during the 1975 football season.

From Left to Right, STANDING: Coach Billy Buckner, Offensive backfield; Coach Bill Hyde, Defensive line and Defensive coordinator; Coach Sonny Hill, Defensive backs. KNEELING: Coach Robert McGraw, Head coach and Offensive line.

1975-76 DSU CHEERLEADER — FROM LEFT TO RIGHT: Regino Cliburn, Lacy Lee Baker, Diane Viner, Buddy Rogers, Beth Wilson, Jennifer Grimes, Dorothy Ann White, Debbie Shoemaker.

Cheerleaders

From football to the AIAW National Tournaments in Pennsylvania, the DSU cheerleaders have led the DSU fans in cheering the Statesmen teams to victory after victory. Somehow they have found the way to inspire a bit of spirit in each of us.

Lady and Mr. Statesmen

Lady Statesman — Jo Case, Mr. Statesman — Bill Greenleaf

With the beginning of the 1975-76 school year, Delta State's official mascot became the "Statesman." Jo and "Greenie" were elected to lead the Statesmen teams to victories. Lead them they have. Both have done a great job in showing spirit and leadership around the DSU campus.

It just won't keep!

Too bad, but you can't put electricity in a jar and keep it!

No, electricity has to be generated and transmitted at the very instant you need it. And as western Mississippi grows and develops, more and more electricity will be needed.

That's why Mississippi Power & Light is constructing Grand Gulf Nuclear Station: to be ready with dependable electric power. All you need...when you need it!
